

June 2016

Dear Oleg and Terry,

We were delighted to have Russian Duo perform during the 2015/16 season of the Greenwich Arts Council's Curiosity Concerts. Your program was well suited for our family audience, and children and adults alike were captivated by Oleg's great skill (as well as magic!) with the balalaika and Terry's expert accompaniment on the piano. It was terrific to have audience participation built into the program. I also appreciated how responsive you were, Terry, in the logistics and contract arrangements – that certainly makes a producer's job easier.

Many thanks to Russian Duo!
